STUDYING AT UNI WITH A DISABILITY?

YOU MAY BE ELIGIBLE FOR ACCESS TO ON-CAMPUS SPECIALIST EMPLOYMENT SUPPORT TO HELP FIND WORK AFTER GRADUATING.

THE PROGRAM

University Specialist Employment Partnerships (USEP) creates local partnerships that help graduating or graduated students with disability find work.

Receive expert local assistance on campus to link you with quality employers and secure work after university.

The service is available to all students in their final year or within one year of graduation identified as having a disability and/or who access supports from the university due to the impact of their disability.
