

Graduate Certificate in Geographical Information Systems

2022 Study Planner

Semester 1 Start:

First Level	Semester 1	Select four of: COMS9001 Communicating Research STEM8002 Introduction to Geographical Information Systems GE STEM8003 Remote Sensing for all Disciplines GE STEM8004 Modelling in Space and Time, Geostatistics and GIS GE STEM8007 Advanced Geographical Information Systems GE
--------------------	-------------------	--

Semester 2 Start:

First Level	Semester 1	Select four of: COMS9001 Communicating Research STEM8002 Introduction to Geographical Information Systems GE STEM8005 Applied Problem Solving with Computers GE STEM8006 Airborne Remote Sensing and Photogrammetry GE STEM8008 GIS Airborne and Ground Data Capture for all Disciplines GE
--------------------	-------------------	---

Key:

Option Topics	A choice from a list of specified topics (please refer to course rule)
---------------	--

Please note:

- This document is provided as a guide only. Students are responsible for ensuring that they have completed their study according to the official [Course Rule](#).
- Topic information for all topics, including pre-requisites can be found on the [Topic Page](#)
- General enrolment assistance is available via [Ask Flinders](#)
- For specific course advice e-mail: courseadvice.SE@flinders.edu.au
